*And the Word became flesh
 and made his dwelling among us*
 John 1,14

*The mission of the universal Church is renewed in each particular Church in its own particular way... Catholic Action must provide the diocesan Church with a mature laity that readily supports pastoral projects everywhere as a way of realizing its vocation. **You need to be incarnate in concrete ways.***

Jerusalem is a unique city, sacred to Jews, Christians and Muslims, in which the Holy Places are venerated by the respective religions, and which has a special vocation for peace.

I pray the Lord that this identity may be preserved and strengthened to the benefit of the Holy Land, of the Middle East and of the entire world, and that wisdom and prudence prevail, in order to prevent additional new elements of tension in a global panorama that is already convulsed and marked by many cruel conflicts.
